As Calhas Magnéticas para montagem saliente ou de embutir, são componentes essenciais do sistema de iluminação magnético. Permitem que os projetores sejam instalados e deslocados ao longo da calha sem a necessidade de ferramentas específicas.

Los carriles magnéticos para montaje en superficie o empotrado son componentes esenciales del sistema de iluminación magnética. Permiten instalar y desplazar los proyectores a lo largo del carril sin necesidad de herramientas específicas.

* Acresce IVA à taxa legal em vigor.
